#### PROPOSED DECISION

This matter came on regularly for hearing before Marilyn L. Nelson, Administrative Law Judge, of the Office of Administrative Hearings, at Los Angeles, California, on November 8, 1978, at the hour of 2:30 p.m. Marjorie P. Mersel, Counsel, represented the complainant. Respondent appeared in person and was represented by Walter N. Wetterman, Attorney at Law. Oral and documentary evidence having been introduced and the matter submitted, the Administrative Law Judge finds the following facts:

Ι

Respondent Michael Walter Sims, aka Michael Walter Schwer, filed his application for a real estate salesperson license on June 9, 1978. On June 16, 1978, respondent was issued a real estate salesperson license. That license was suspended on September 12, 1978 pending final determination of the Statement of Issues herein.

II

In response to Question 7(a) of said application, to wit: "Have you ever been convicted of any violation of law other than a non-moving traffic violation?", respondent answered "No."

#### III

On October 16, 1973, in the Municipal Court of Los Angeles Judicial District, County of Los Angeles, State of

California, respondent was convicted, upon his plea of nolo contendere, of the crime of violating Penal Code Section 459 (burglary) a crime involving moral turpitude. As a result of said conviction, respondent paid a fine of \$20 plus \$2 penalty assessment.

#### IV

The circumstances surrounding said conviction were that at age nineteen respondent became involved with some friends in the burglary of a barbershop. He plead nolo contendere upon the advice of his attorney, a public defender. It was his understanding from his attorney that by so pleading in three years the matter would be sealed. He did not take any affirmative steps to have the matter sealed, however.

#### V

In completing Question 7(a) of his application for a real estate salesperson license respondent was aware of his said conviction. He had not listed it on other applications and he was afraid of repercussions with the Department of Real Estate by listing the conviction. He did read the warning language contained in the application after Questions 7(a) and 7(b) to the effect that all convictions must be disclosed even if the plea or verdict was thereafter set aside and the charges dismissed or expunged.

#### VI

Respondent has in the past rendered community service to a drug rehabilitation program in Chicago. He is certified as a respiratory therapist and is actively working in this field. He is now twenty-four years of age and plans to be married soon to a registered nurse.

#### \* \* \* \* \*

Pursuant to the foregoing findings of fact, the Administrative Law Judge makes the following determination of issues:

#### Ι

Cause exists to deny respondentt's application for a real estate salesperson license pursuant to Sections 480(c) and 10177(a) of the Business and Professions Code by reason of Findings II through V.

#### II

Cause does not exist to deny respondent's application for a real estate salesperson license pursuant to Section 10177(b) of the Business and Professions Code in that although the crime

of which he has been convicted involves moral turpitude and is substantially related to the qualifications or duties of a real estate salesperson licensee, the time of the occurrence of the event is too remote from the present to render the conviction material.

Respondent's evidence relating to mitigation and rehabilitation has not established at this time that it would be in the best interests of the public to grant him a real estate salesperson license.

\* \* \* \* \*

WHEREFORE, THE FOLLOWING ORDER is hereby made:

The application of respondent Michael Walter Sims, aka Michael Walter Schwer, is hereby denied.

I hereby submit the foregoing which constitutes my Proposed Decision in the above-entitled matter, as a result of the hearing had before me on November 8, 1978, at Los Angeles, California, and recommend its adoption as the decision of the Department of

Real Estate.

#### CRITERIA OF REHABILITATION (DENIAL)

Your application for a real estate license has been denied by the Real Estate Commissioner on the grounds set forth in the attached Decision. The criteria in Regulation 2911 have been developed by the Department of Real Estate as guidelines to assist an applicant in a rehabilitation program and in the presentation of his or her case should application again be made for this license or in the event of a petition for the removal of restrictions from a restricted license.

Not all of the factors listed below will be applicable in the case of every person to whom a license has been denied, nor will each applicable factor necessarily be given equal weight in evaluating the rehabilitation of an individual. The individual must decide which of these factors are applicable to his or her case and should then take appropriate steps toward rehabilitation to the end of satisfying the Real Estate Commissioner that it would not be against the public interest to grant the license in question.

\* \* \*

2911. Criteria of Rehabilitation (Denial). The following criteria have been developed by the department pursuant to Section 482(a) of the Business and Professions Code for the purpose of evaluating the rehabilitation of an applicant for issuance or for reinstatement of a license in considering whether or not to deny the issuance or reinstatement on account of a crime or act committed by the applicant:

R/E Form 573 (Rev. 3-20-78)

- (a) The passage of not less than two years since the most recent criminal conviction or act of the applicant that is a basis to deny the departmental action sought. (A longer period will be required if there is a history of acts or conduct substantially related to the qualifications, functions or duties of a licensee of the department.)
- (b) Restitution to any person who has suffered monetary losses through "substantially related" acts or omissions of the applicant.
- (c) Expungement of criminal convictions resulting from immoral or antisocial acts.
- (d) Successful completion or early discharge from probation or parole.
- (e) Abstinence from the use of controlled substances or alcohol for not less than two years if the conduct which is the basis to deny the departmental action sought is attributable in part to the use of controlled substances or alcohol.
- (f) Payment of the fine or other monetary penalty imposed in connection with a criminal conviction or quasicriminal judgment.
- (g) Stability of family life and fulfillment of parental and familial responsibilities subsequent to the conviction or conduct that is the basis for denial of the agency action sought.
- (h) Completion of, or sustained enrollment in, formal educational or vocational training courses for economic self-improvement.

R/E Form 573 (Rev. 3-20-78)

- (i) Discharge of, or bona fide efforts toward discharging, adjudicated debts or monetary obligations to others.
- (j) Correction of business practices resulting in injury to others or with the potential to cause such injury.
- (k) Significant or conscientious involvement in community, church or privately-sponsored programs designed to provide social benefits or to ameliorate social problems.
- (1) New and different social business relationships from those which existed at the time of the conduct that is the basis for denial of the departmental action sought.
- (m) Change in attitude from that which existed at the time of the conduct in question as evidenced by any or all of the following:
  - (1) Testimony of applicant.
  - (2) Evidence from family members, friends or other persons familiar with applicant's previous conduct and with his subsequent attitudes and behavioral patterns.
  - (3) Evidence from probation or parole officers or law enforcement officials competent to testify as to applicant's social adjustments.
  - (4) Evidence from psychiatrists or other persons competent to testify with regard to neuro-psychiatric or emotional disturbances.
