A restricted real estate salesperson license. A restricted real estate salesperson license was issued to Respondent on May 14, 1996. Respondent has operated as a restricted licensee without cause for disciplinary action against Respondent.

On November 21, 2005, Respondent petitioned for the removal of restrictions attaching to Respondent's real estate salesperson license.

Respondent has demonstrated to my satisfaction that Respondent meets the requirements of law for the issuance to Respondent of an unrestricted real estate salesperson license and that it would not be against the public interest to issue said license to Respondent.

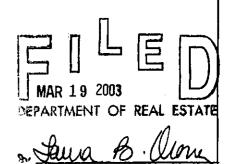

NOW, THEREFORE, IT IS ORDERED that Respondent's petition for removal of restrictions is granted and that a real estate salesperson license be issued to Respondent if Respondent satisfies the following conditions within nine (9) months from the date of this Order:

In the Matter of the Statement of Issues Against:

No. H-26094 LA

Respondent.

PROPOSED DECISION

This matter came on regularly for hearing before W.F. Byrnes, Administrative Law Judge of the Office of Administrative Hearings, at Los Angeles, California, on September 5, 1995. Marjorie P. Mersel, Staff Counsel, represented the complainant. The respondent represented herself. Evidence having been received and the matter submitted, the Administrative law Judge finds the following facts:

١

Steven J. Ellis made the Statement of Issues in his official capacity as a Deputy Real Estate Commissioner.

П

Respondent made application to the Department of Real Estate for a real estate salesperson license on August 31, 1994. On the application, respondent disclosed the fact of her misdemeanor conviction described below.

Ш

On January 10, 1994, in the Municipal Court of Los Cerritos Judicial District, County of Los Angeles, respondent was convicted on her plea of nolo contendere of violating Penal Code section 484(a) (petty theft), a misdemeanor. Imposition of sentence was suspended and respondent was placed on three years probation on condition, inter alia, that she perform 120 hours of community service, later changed to payment of a \$1,675.00 fine in installments. Respondent has now paid all but \$400.00 of the fine.

Respondent's conviction was a result of her helping a friend steal two articles of clothing from a department store. She knew it was wrong and she was not happy about doing it, but she felt obligated to the friend who had helped her when her rent money was lost. Respondent was caught by store security, and her friend got away. Respondent has resolved that she will never again violate the law.

V

Respondent is the single parent and sole support of her two year old daughter, and she has seen how her illegal act has damaged her ability to make a life for herself and her child. She has worked in the real estate field for five years; at the time of her application for licensure, she was employed as administrative assistant to a real estate broker, but her employer required that she be licensed, and she had to leave that employment when the Department of Real Estate denied her application. She since has worked as an hourly-paid assistant to three asset managers.

* * * * *

Pursuant to the foregoing findings of fact, the Administrative Law Judge makes the following determination of issues:

1

Cause exists for the denial of respondent's application pursuant to Business and Professions Code sections 480(a) and 10177(b), as alleged in the Statement of Issues.

Ш

Based upon all of the circumstances herein, including observation of respondent's comportment and demeanor at the hearing, it would not be contrary to the public interest to grant her a restricted license with a suitable probationary period.

* * * * *

WHEREFORE, THE FOLLOWING ORDER is hereby made:

Respondent's application for a real estate salesperson license is denied; provided, however, a restricted real estate salesperson license shall be issued to respondent pursuant to section 10156 of the Business and Professions Code. The restricted license issued to the respondent shall be subject to all of the provisions of section 10156.7 of the Business and Professions Code and to the following

limitations, conditions and restrictions imposed under authority of section 10156.6 of said Code:

- 1. The license shall not confer any property right in the privileges to be exercised, and the Real Estate Commissioner may by appropriate order suspend the right to exercise any privileges granted under this restricted license in the event of:
 - (a) The conviction of respondent (including a plea of nolo contendere) of a crime which is substantially related to respondent's fitness or capacity as a real estate licensee; or
 - (b) The receipt of evidence that respondent has violated provisions of the California Real Estate Law, the Subdivided Lands Law, Regulations of the Real Estate Commissioner or conditions attaching to this restricted license.
- 2. Respondent shall not be eligible to apply for the issuance of an unrestricted real estate license nor the removal of any of the conditions, limitations or restrictions attaching to the restricted license until two years have elapsed from the date of issuance of the restricted license to respondent.
- 3. With the application for license, or with the application for transfer to a new employing broker, respondent shall submit a statement signed by the prospective employing real estate broker on a form approved by the Department of Real Estate which shall certify as follows:
 - (a) That the employing broker has read the Decision which is the basis for the issuance of the restricted license; and
 - (b) That the employing broker will carefully review all transaction documents prepared by the restricted licensee and otherwise exercise close supervision over the licensee's performance of acts for which a license is required.
